Keeper Wars Format Details

The goals will be set up straggling the touchline of the soccer pitch, such that the touchline is used as the center line of the keeper wars. Cones will be placed to mark the touchlines of the Keeper Wars pitch. The goals should be 10 yards from the centerline. The cones should 5 yards wider on each side then the goal width.

- There will be 2 contestants from each team. To start,the contestants from each team go to the opposite side of the Keeper Wars pitch. The Usher will organize the keepers on each side. The time keeper will call for match.
- The time keeper will throw in a ball to a keeper to start the game. The keepers play their match.. The winner of the match remains in the elimination, the other player is eliminated, the winner of the match returns to their Usher and must wait for the next round in the elimination..
- Once all players play, round 1 is completed. Winners will be split up in half's, ensuring no keepers from the same team are on the same side
- Conduct round 2 in the same manner as round 1
- At the end of round 2 there will divide in half of the remaining players
- Continuing rounds till the final four..the 4 players will be brought to the center of the field and announced as Final Four.
- Divide the Final Four into two groups and repeat another round,eliminating two, a championship round will be conducted to determine the finalists.. Award the winner
